GUNBOATS FOR THE SEIZURE OF CUBA.-A curious d to the latter on Friday. According to this letter, the famous gun-boat navy of President Jefferson, which was so much ridiculed at the time of its construction, was intended for the seizure of Cuba, though ostensibly for the protection of the sea coast. One hundred and eighty of these boats were sent southward on this special Cuban service, but Mr. Jefferson's filibustering plans could be properly perfected, the threatening condition of our relations with England rendered a postponement of the project necessary, and the opportunity never afterwards occurred for its revival.—N. PROF. O. J. WOOD-Dear Sir: I have beard much said the wonderful effects of your Hair Restorative, but having been so often cheated by quacks and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in Laurence county good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore my skepticism and doubts in reference to its character is entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty. and by all young persons who would have their hair beautiful and glossy.

Very truly and respectfully yours, SOLOMON MANN.

FRIEND WOOD: It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair as the surest test of its power. ## Steamer Hattie Hart, Peck, for Fayetteville, by master. BERHAVE'S HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, IVER COMPLAINT, WEAKNESS OF ANY KIND FEVER AND AGUE. And the various affections consequent upon a disordered

STOMACH OR LIVER, Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and

Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Borhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged. It is particularly recommended to those persons whose

constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally, instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system. NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular

remedial properties. CAUTION: The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not pursuaded to buy anything else until you have given Borhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations. Sold at \$1 00 per bottle, or six bottles for \$5. by the
